Display of Fireworks on July Assured.

Commissioners to Issue Proclamation Embodying Police Regulations for Celebration in Few Days,

The Commissioners will in a few days issue a proclamation embodying the police regulations adopted some months ago providing for a "safe and sane" observance of the Fourth of July. Ten thousand copies of these regulations will be printed for distribution by the police department. Cuno H. Rudolph, chairman of the fireworks committee of the "safe and sane" celebration of the Fourth of July, announced to Commissioner Macfarland yesterday that Col. Spencer Cosby, superintendent of public buildings and grounds, had granted permission to the committee to use the Ellipse as the place for the display of the fireworks on the night of July 5. Mr. Rudolph said the permission would enable the fireworks committee to make a much better display on the Ellipse than would have been possible on the Washington Monument lot, which has

This is the most perfect foot-shape last produced. It is made in Selz special vici kid, and is a marvel of excellence in every particular.

You'll find the fit of the shoe has a lot to do with the way it wears; if your shoes fit, you get not only comfort to your feet, but long service. Poor fitting shortens the life of a shoe a good deal.
